Registration 'flagging' is a direct result of a vehicle owner being delinquent in paying the civil assessment indicated on the Notice. Vehicle owners should therefore ensure all Notices of Civil Violation for red light offenses are paid before attempting to register a cited vehicle at DMV.

State of Delaware

TO THE OWNER: The State of DELAWARE has initiated an Electronic Red Light Safety Program (ERLSP), as allowed by State law, in an effort to reduce accidents, injuries and deaths caused by red light violations. This Notice of Civil Violation was issued to you because the ERLSP recorded your vehicle as it failed to stop for a red traffic signal. The intersection location, direction of travel, and the date and time of the violation are listed on the front. Also included are images of your vehicle as it entered the intersection after the traffic signal had turned red. The images are based on digital evidence recorded at the time of the violation. You have been identified as the registered owner, lessee or renter of the vehicle described in this Notice of Civil Violation.

YOU HAVE THREE OPTIONS

1) Pay the Fine. Payment is an admission of liability; however, this violation will not be a part of your driving record and no points will be assessed.

Pay with Check or Money Order By Mail: You may avoid going to court by completing the "Fine Remittance Form" coupon on the front of this notice and sending your check or money order (payable to ERLSP) in the enclosed envelope along with the payment coupon. DO NOT SEND CASH! Be sure to make your payment within 30 days of the Issue Date and include your Notice # on your payment. If you have questions, call 1-866-790-4111. Checks returned for Insufficient Funds will result in a NSF fee added to your penalty amount, in addition to any fees charged by your banking institution.

Pay with Credit or Debit Card Online: The fastest and easiest way to pay your notice is to pay online. Locate www.ViolationInfo.com and login with your Notice # and PIN shown in the box on the front of this notice. Click the green "Pay Your Red Light Violation Online" button. There is a \$4 convenience fee.

LATE PAYMENTS: An additional \$10 charge is due if an uncontested Notice of Civil Violation is not paid within 30 days of the Mailing Date. This is increased to \$20 if not paid within 60 days, and to \$30 if the Notice of Civil Violation is not paid within 90 days.

2) Affidavit of Non-Responsibility: IF YOU WERE NOT THE DRIVER, FILE AN AFFIDAVIT NAMING THE DRIVER. You may avoid payment of this assessment by completing the AFFIDAVIT form below stating that you were not the driver and providing the name of the person who had custody of the vehicle at the time of the violation. If you do not know the name and address of the person who had custody of the vehicle because it was stolen, or if the plates were stolen, you must include a certified copy of the police report showing that the vehicle or license plates were reported/logged as stolen prior to the time of the alleged violation. If you file an affidavit and this citation is contested by the individual you identified, you will also be required to attend the hearing. Mail to: Violation Processing Center, PO Box 59995, Phoenix, AZ 85076-9995, or fax to: 1-480-990-4819. Your response must be made before the due date.

3) To Contest this Notice of Civil Violation in Court: You should complete the NOTICE OF INTENT TO APPEAL form below. Court costs of \$46 will be charged, in addition to the amount listed on the Notice of Civil Violation, if you are found responsible for the offense.

Note: The ERLSP program enables DMV to deny a vehicle a registration renewal when the registration record has been 'flagged' for a red light violation. Registration 'flagging' is a direct result of a vehicle owner being delinquent in paying the civil assessment indicated on the Notice. Vehicle owners should therefore ensure all Notices of Civil Violation for red light offenses are paid before attempting to register a cited vehicle at DMV.
